

POOLSIDE CHATS

Conversation Starters

- Would you rather get stuck in a sandcastle or in a giant inflatable pool float?
- Would you rather have popsicles for breakfast or s'mores for dinner every day for a week?
- What's the weirdest thing you could roast over a campfire?
- Would you rather your flip-flops made a loud honk every step or your swimsuit changed colors when you lied?
- If your family had a reality show just for summer, what would it be called?
- What's the most ridiculous thing you could turn into a floaty?
- Would you rather only be able to talk in pirate voice all summer or have to wear floaties everywhere you go?
- If your shadow came to life for one summer day, what would it do?
- Would you rather have a sun hat the size of a beach umbrella or sunglasses the size of dinner plates?
- What's the silliest thing you could pack for a beach day and still convince someone it's useful?
